**Start your own Feng Shui Business within 1 week of graduating!**

**Become a Certified Feng Shui Practitioner in the world !**

The Canada Capstone College provides an intense Feng Shui program for students who wish to educate themselves in the art of Feng Shui for personal good, to be able to start their own Feng Shui Practitioner's business or wish to integrate Feng Shui with their current career.

*Be empowered today !*

You will learn all the foundation stones of Feng Shui in this 5 day program to enable you to consulting for the many people who are requesting Feng Shui services today. You will learn many common Feng Shui issues in every room of the home and business office, including hallways, front yard, back yard, balcony and bathrooms! You will also learn how simple cures of objects, shapes and colours can greatly affect the energy of the home. Using years of experience, we explain ways of dealing with four types of clients, and how to manage your time as well as the best tools to use on site. We provide vital information on how to market yourself as a Certified Feng Shui Practitioner and the best ways to get started in the business. On the last day, you will view an excerpt of a real Feng Shui consultation at a home or business.
